

Salma Ayman Mahmoud

I am a confident, caring, assertive and organized fresh graduate, looking for a new opportunity to make a real difference into the lives of young learners. My main goal in life is to ensure that students are supported and encouraged to achieve their full potential. I am a complete 'all-rounder', and I can adapt to any situation, in particular to situations surrounding young learners and their educational environment.

► Training

Clinical pharmacy training at National Cancer Institute | Aug 2021 To Sep 2021

- Role of oncology pharmacist inside healthcare: identifying patient's drugs need including treatment management protocols, supportive and palliative care and preventing drug related problems.
