Summary

Academic experience

Professor of Pharmaceutics and Industrial Pharmacy in Faculty of Pharmacy, Cairo University. Head of Pharmaceutics Department, Faculty of Pharmacy and Drug Technology, The Egyptian Chinese University. Master (2001) & PhD (2005) Faculty of Pharmacy, Cairo University with over 50 articles in international multidisciplinary journals. Academic and professional experience for over 25 years. Supervises/d +30 Master and PhD students from Egypt and other Arab countries as Sudan, Yemen, and Iraq. Work experience at multiple Universities: The **Egyptian Chinese University**, Faculty of **Nanotechnology for Postgrad Studies, Cairo University**, **Future University in Egypt**, **Al-Ahram Canadian University**, **Modern University for Technology and Information**, **October University for Modern Sciences and Arts**, and **German University in Cairo**.

Industrial collaboration

With special focus on developing local pharmaceutical industry by collaborating with pharmaceutical companies in addressing manufacturing challenges and implementing **GMP**, **TQM** & **LEAN** principles. Led the project “**Investigating the root cause of N-nitrosodimethylamine formation in metformin pharmaceutical products**” funded by and executed in **AlEsraa Pharmaceuticals** facility, **Badr city, Egypt**. [Article link](#)

Won the **Eudragit® 2018 award** for best paper in **EMEA region**, **Evonik**, **Darmstadt, Germany** in 2019. Gained best poster presentation award at **5th International Conference on Nanotechnology, Nanoscience & Advanced Materials**, **Kuala Lumpur, Malaysia** in 2018.

Funded projects

Managed to secure funds for 6 projects in the field of nanomedicine and theranostics with universities in **Egypt** and **other countries**, **pharmaceutical companies (SEDICO)**, and funding bodies as **STDF** and **IRG**.

Consultancy

Member of “**registration of medical devices committee**”, **Egyptian Drug Authority (EDA)**, responsible for approving manufacturing medical devices facilities registration of their products. Leading training programs to pharmacists in collaboration with **HOLDI PHARMA** and **Egyptian Pharmaceutical Syndicate**. Shared editing the **5th Egyptian Pharmacopeia 2023**.

Research interest

Extensive research experience spanning from application of nanotechnology as drug delivery systems to protein delivery, phytomedicine, tissue regeneration, and application of photodynamic therapy.

Qualifications

- **Degree of Philosophy Doctor** of Pharmaceutical Sciences in Pharmaceutics, Cairo University, Egypt (**July 2005**).
- **Degree of Master** of Pharmaceutical Sciences in Pharmaceutics, Cairo University, Egypt (**May 2001**).
- Degree of Bachelor of Pharmaceutical Sciences, Cairo University with general grade Excellent with Honors (**May 1995**)
- **General Certificate of Education**, University of London, UK, 6 As (**June 1989**)

Work experience

2021 – <i>now</i>	Head of Department & Professor of Pharmaceutics, Faculty of Pharmacy and Drug Technology, The Egyptian Chinese University (ECU)
2020 – 2021	Part-time Professor of Drug Delivery, Faculty of Nanotechnology for Postgrad Studies, Cairo University
2018 – 2019	Part-time Professor of Pharmaceutics and Industrial Pharmacy, Faculty of Pharmacy, Future University in Egypt (FUE)
2017 – <i>now</i>	Professor of Pharmaceutics and Industrial Pharmacy, Faculty of Pharmacy, Cairo University
2014 – 2015	Associate Professor of Pharmaceutical Technology, Faculty of Pharmacy and Biotechnology, German University in Cairo (GUC)
Spring 2014	Part-time Associate Professor of Pharmaceutics and Industrial Pharmacy, Modern University for Technology and Information (MTI)
2013 – 2017	Associate Professor of Pharmaceutics and Industrial Pharmacy, Faculty of Pharmacy, Cairo University
2008 – 2009	Part-time Lecturer in October University for Modern Sciences and Arts (MSA)
2005 – 2013	Assistant Professor of Pharmaceutics and Industrial Pharmacy, Faculty of Pharmacy, Cairo University
2001 – 2005	Assistant Lecturer of Pharmaceutics and Industrial Pharmacy, Faculty of Pharmacy, Cairo University
1995 – 2001	Teaching assistant of Pharmaceutics and Industrial Pharmacy, Faculty of Pharmacy, Cairo University

Teaching interest

Deliver courses for undergraduate and graduate students related to formulation of physical pharmacy; liquid, semi-solid, solid pharmaceutical and cosmeceutical dosage forms; pharmaceutical technology; quality management; implementation of GMP; executing validation process; architecture and pharmaceutical facility planning; HVAC & airlocks design.

Research interest

- **Supervise(s/d) 31 Master and PhD students in Pharmaceutics and Industrial** from Egypt and other Arab countries as Sudan, Yemen, and Iraq.

- Leading research projects spanning from application of nanotechnology as drug delivery systems to protein delivery, phytomedicine, tissue regeneration, and application of photodynamic therapy.
- Developing local pharmaceutical industry by following LEAN manufacturing.

Funded projects (6)

1. Basma Elsaadany, Mai Zakaria, **Aliaa EIMeshad**, Hala Bakr, Tarek Shuman & Noha Adel “Self healing gel as a vehicle for recombinant human epidermal growth factor in treatment of oral mucositis following cancer therapy”, **2021 – 2023 (current) (funded by: Cairo University, Egypt).**
2. Hala Bakr (PI), **Aliaa N. EIMeshad (CoPI)**, Hana Merey, Walaah Wadie & Dalia El-Tanbouly “Synthesis and Characterization of N-palmitoyl L-aminoacids Organogels as Carriers of Amantadine in Parkinson’s Disease”, **2019 – 2021 (current) (funded by: Interdisciplinary research grant (IRG) cycle III, Faculty of Pharmacy, Cairo University, Egypt).**
3. **Aliaa Nabil EIMeshad (PI)**, Nasr Eldin Hussein Nasr, Metwaly Gamel Metwaly, Eman Osama Ahmed, Ahmed Roshdy Fares “Investigating The Root Cause of N- Nitrosodimethylamine Formation in Metformin Pharmaceutical Products”, **2020 - 2021 (accomplished) (funded by: AIEsraa Pharmaceuticals, Badr City, Cairo, Egypt).**
4. Mona Arafa (PI), Mohey Mazar, **Aliaa N. EIMeshad (CoPI)** & Yasmeen Attia “Role of Surface Functionalized PLGA Chitosan Nanocomposite As A Theranostic Platform in Breast Cancer Model in Rats”, **2018 – 2019 (funded by: Science and Technology Development Fund (STDF), Cairo, Egypt, Young investigator research grant). (accomplished) (British University in Egypt + Faculty of Pharmacy Cairo University)**
5. Medhat A. Al-Ghobashy (PI), **Aliaa N. EIMeshad (CoPI)**, Ahmed S. Attia, Mohamed El-Shourbagy & Wael Mamdouh “Formulation and Evaluation of Surface Functionalized Nanoparticles Enclosing Myelin Basic Protein for Treatment of Multiple Sclerosis ”, **2015 – 2017 (funded by: Science and Technology Development Fund (STDF), Cairo, Egypt, targeted call: Towards Development of Pharmaceutical Industries). (accomplished) (American University in Cairo + Faculty of Pharmacy Cairo University)**
6. Medhat Al-Ghobashy (PI), **Aliaa EIMeshad**, Rania Mohsen, Mohamed Nooh, Goetz Laible & David Harding, *Development, characterization & evaluation of a therapeutic vaccine for treatment of multiple sclerosis*, **2012 – 2014 (funded by: Interdisciplinary research grant (IRG), Faculty of Pharmacy, Cairo University, Egypt & Massey University Research Fund (MURF), New Zealand). (accomplished) (Massey University, New Zealand + Faculty of Pharmacy Cairo University)**

Scientific publications (52) (Scopus h-index 19)

1. Hemat H. Attia, Dalia S. Shaker, **Aliaa EIMeshad**, Maha El-Kayal (2023) *Optimization and in-vitro assessment of the effectiveness of carvedilol-loaded proniosomal gels as a promising therapeutic approach for the topical treatment of skin cancer*. **Journal of Drug Delivery Science and Technology**, Available online 14 June 2023, 104665 (<https://doi.org/10.1016/j.jddst.2023.104665>).

Awards

- The first prize in “**The Pharma Sustainability Innovation Challenge**” in the concept idea “**sustainable packaging solutions**”, **FOPCU 11th International Scientific Conference 2023** competition.
- **Eudragit® 2018 award** for best paper submitted from **EMEA region, Evonik Darmstadt, Germany**, September 2019.
- Best poster presentation at **5th International Conference on Nanotechnology, Nanoscience & Advanced Materials**, Kuala Lumpur, Malaysia, 2-3 February, 2018
- International publication award, Cairo University (2009 - 2022)

- Interdisciplinary research grant (IRG) cycle I, Faculty of Pharmacy, Cairo University, January (2012)

Activities

- Coordinator of **Child University** in The Egyptian Chinese University (2023).
- Shared in writing **strategic plan** and **community service plan**, Faculty of Pharmacy and Drug Technology, The Egyptian Chinese University (2022-2023).
- Shared editing the **5th Egyptian Pharmacopeia (2023)**.
- Shared in writing the bylaw of Bio Nano Program, **Faculty of Nanotechnology for Postgrad Studies**, Cairo University (2019).
- Team member as external auditor for Faculty of Pharmacy, Delta University for Science and Technology, Mansoura, Egypt by **National Authority for Quality Assurance and Accreditation (NAQAAE)** 8/4/2019 – 10/4/2019.
- **Speaker:**
 1. **“Smart Nano Drug Delivery Systems”**, Egyptian Atomic Energy Agency in collaboration with League of Arab Countries, Monday 28th March, 2022.
 2. **“Smart Drug Delivery Systems”**, Egyptian Atomic Energy Agency in collaboration with League of Arab Countries, Sunday 21st April, 2019.
 3. **“Comparison between two management systems: LEAN and TQM”**, Holding Company for Pharmaceuticals, Egypt, at Memphis Pharmaceutical and Chemical Industry, Saturday 23rd February 2019.
 4. **“Drug Delivery Systems”**, Egyptian Atomic Energy Agency in collaboration with League of Arab Countries, Sunday 22nd April, 2018.
 5. **“Orientation to the pharmaceutical industry in the Egyptian market (GMP guidelines and Quality Control of pharmaceutical products – LEAN manufacturing)”**, Holding Company for Pharmaceuticals, Egypt, at Memphis Pharmaceutical and Chemical Industry, Saturday 10th March 2018.
 6. **“Continuous profession development (GMP guidelines and Quality Control of pharmaceutical products – LEAN manufacturing)”**, Egyptian Pharmaceutical Syndicate, at Faculty of Pharmacy, Cairo University, Saturday 10th February 2018.
 7. **“Orientation to the pharmaceutical industry in the Egyptian market (GMP guidelines and Quality Control of pharmaceutical products – LEAN manufacturing)”**, Holding Company for Pharmaceuticals, Egypt, at Memphis Pharmaceutical and Chemical Industry, Saturday 11th November 2017.

Memberships

- The Egyptian Pharmaceutical Syndicate, **1995 – now**.
- The Egyptian Pharmaceutical Syndicate (Cairo Branch), **1995 – now**.
- The Egyptian Pharmaceutical Society (EPS), **1995 – now**.
- **Hazardous and high-tech drugs and risk management committee**, Central Administration Pharmaceutical Affairs (CAPA), Ministry of Health of Egypt (MOHE), **2012 – 2018**.
- **Registration of medical devices committee**, Egyptian Drug Authority (EDA), Ministry of Health of Egypt (MOHE), **2018 – now**.
- **Editorial board of Bulletin of Faculty of Pharmacy, Cairo University (B-FOPCU)**, **2016 – 2021**.

- **Editorial board of International Conference on Nanotechnology, Nanoscience & Advanced Materials**, Feb 20-22, 2019, Kuala Lumpur, Malaysia.
- **Research ethics committee of Faculty of Pharmacy, Cairo University (REC), 2017 – 2021.**
- **Egyptian Network of Research Ethics Committees (ENREC), 2022 – now.**
- **Certified auditor for National Authority for Quality Assurance and Accreditation (NAQAAE), 2012 – now.**

4. **“Drug Delivery Systems”**, Egyptian Atomic Energy Agency in collaboration with League of Arab Countries, Sunday 22nd April, 2018.
5. **“Orientation to the pharmaceutical industry in the Egyptian market (GMP guidelines and Quality Control of pharmaceutical products – LEAN manufacturing)”**, Holding Company for Pharmaceuticals, Egypt, at Memphis Pharmaceutical and Chemical Industry, Saturday 10th March 2018.
6. **“Continuous profession development (GMP guidelines and Quality Control of pharmaceutical products – LEAN manufacturing)”**, Egyptian Pharmaceutical Syndicate, at Faculty of Pharmacy, Cairo University, Saturday 10th February 2018.
7. **“Orientation to the pharmaceutical industry in the Egyptian market (GMP guidelines and Quality Control of pharmaceutical products – LEAN manufacturing)”**, Holding

Company for Pharmaceuticals, Egypt, at Memphis Pharmaceutical and Chemical Industry, Saturday 11th November 2017.

Trainee:

1. **“Stability of Dry Powder Inhaler Protein Formulations”**, Pharmaceutical Technology Webcast, Thursday 15th June, 2023.
2. **“Serialization, Secondary Packaging and the War on Counterfeit Drugs”**, Pharmaceutical Technology Webcast, Monday 5th June, 2023.
3. **“Part 4: Putting Pharma 4.0 and Digital Transformation in Action with Amplify Bio: Real Results, Real Outcomes”**, Pharmaceutical Technology Webcast, Thursday 1st June, 2023.
4. **“How to turn your organization into 100% paperless”**, Qualistery free virtual webinars, Germany, Thursday 25th May, 2023.
5. **“EUDRAGIT[®] Masterclass Series, Session 3: Troubleshooting”**, Evonik Health Care, Evonik webinar, Wednesday 23rd November, 2022.
6. **“Effective Strategies for Pediatric Formulation Development”**, Pharmaceutical Technology Webcast, Thursday 17th November, 2022.
7. **EUDRAGIT[®] Masterclass Series, Session 2: Formulation design”**, Evonik Health Care, Evonik webinar, Wednesday 16th November, 2022.
8. **“EUDRAGIT[®] Masterclass Series, Session 1: Product portfolio and polymer properties”**, Evonik Health Care, Evonik webinar, Wednesday 9th November, 2022
9. **“Successful Phase 1 Adaptive Trials: Through the Lens of Clinical Operations, Formulation Development, and Regulatory Compliance”**, Pharmaceutical Technology Webcasts, Tuesday, 11th October, 2022.
10. **“Data science, AI, and machine learning: The Path to Improved Safety”**, Pharmaceutical Technology Webcasts, Monday, 10th October, 2022.
11. **“Developing liquid formulations for the oral dosing of lipophilic drugs“**, Pharmaceutical Technology Webcasts, Tuesday, 4th October, 2022.
12. **“Scaling Up ADC Payloads”**, Pharmaceutical Technology Webcasts, Wednesday, 31st August, 2022.
13. **“Introducing Vecollan[®]: Vegan collagen at scale”**, Evonik Health Care, Evonik webinar, Wednesday, 13th July, 2022.
14. **“The Urgency for GxP Digital Transformation Projects in Biotech and Pharma”**, **Pharmaceutical Technology Webcasts, Wednesday 6th July, 2022.**
15. **“Disrupting the industry through implementation of Pharma 4.0 technologies”**, Pharmaceutical Technology Webcasts, Sunday 19th June, 2022.
16. **“Obstacles & Opportunities in Orphan Biologics: From Development to Production and Supply”**, BioPharm International[®] Webcast, Thursday, 26th May, 2022.
17. **“Quality Considerations for mRNA Vaccine Development”**, Pharmaceutical Technology Webcasts in collaboration with TriLink Biotechnologies, Stanford University, Tuesday 24th May, 2022.
18. **“Creating a Global Healthcare Support Network”**, EMG-Healthcare Podcast, Sunday 22nd May, 2022.
19. **“Optimizing Development During a Market Downturn”**, Abingworth & Catalent webinar, Saturday 21st May, 2022.

20. **"Dosage Form Design & Patient Compliance: Exploring ODTs as a Patient-centric Solution"**, Pharmaceutical Technology Webcasts, Thursday 27th January, 2022.
21. **"Nanoparticles for Drug Delivery"**, Scientific Instruments, Entegris Company & Pharmaceutical Technology Webcasts, Tuesday 26th January, 2022.
22. **"Introduction to High Resolution Integrated Weighing"**, Pharmaceutical Technology Webcasts, Tuesday 18th January, 2022.
23. **"Why Biotech and Pharma Need GxP for their Digital Transformation Projects Now"**, Pharmaceutical Technology Webcasts, Monday, 20th December, 2021.
24. **"Rewriting the health code: how mRNA technology is shaping the future of medicine"**, Evonik Health Care, Evonik webinar, Wednesday, 27th October, 2021.
25. **"Program specification", FLDC, Helwan University**, 19-20th September 2021.
26. **"Ocular drug delivery: New advances in materials, formulation and analytics"**, Evonik Health Care, Evonik webinar, Tuesday, 29th June, 2021.
27. **"From medical textiles to medical tubes: Discover the industry's most versatile portfolio of bioresorbable polymers"**, Evonik Health Care, Evonik webinar, Wed, 23rd June, 2021.
28. **"Open House at Vancouver and Birmingham Sites with Evonik Health Care"**, Evonik webinar, Wednesday, 31st March, 2021.
29. **"What Makes Lipid Excipients so Special? Overcoming Bioavailability Challenges and Accelerating Development Using Softgels"**, Gattefosse & Catalent webinar, Tuesday, 30th March, 2021.
30. **"E-learning and preparing E-courses"**, National E-Learning Center, Supreme Council of Universities, UNESCO, Tuesday, 30th March, 2021.
31. **"Assessment tools and preparing MCQ for staff of medical sector"**, Measurement and Assessment Center, Supreme Council of Universities, 28-29th March, 2021.
32. **"Egyptian public intellectual property course"**, online third round, World Intellectual Property Organization (WIPO), 9th November – 27th December 2020.
33. **"A review of recent excipient, formulation and process innovations for immediate release dosage forms"** Evonik webinar, Tuesday, December 1, 2020.
34. **"Advanced colonic targeting for drug products and other microbiome therapeutics"**, Evonik webinar, Tuesday 24th November, 2020.
35. **"Delayed release formulations: The latest innovations for enteric coatings, delivery technologies and continuous manufacturing"**, Evonik webinar, Tuesday, November 17, 2020.
36. International journal of nanomedicine special webinar **"Engineered Biomedical Materials to Improve Human Health"**, Dr. Dr. Gulden Camci-Unal, Department of Chemical Engineering, University of Massachusetts, Lowell USA, Thursday 12th November, 2020.
37. International journal of nanomedicine special webinar **"The Next Generation of Oral Drug Delivery Technologies"**, Dr. Ravi Kumar, Department of Pharmaceutical Sciences, Irma Lerma Rangel College of Pharmacy, Texas A&M University, College Station, USA, Thursday 10th September 2020.
38. **"ENREC Webinar 24: Challenges Facing Research Ethics Committees during COVID-19 Pandemic"**, webinar ENREC, Egyptian Network of Research Ethics Committees, Friday 5th June, 2020.
39. **"What Pharmacists Should Know About COVID-19"**, webinar Egyptian Pharmaceutical Vigilance Center, Egyptian Drug Authority (EDA), Wednesday 22nd April, 2020.

40. **"Fake Medications: Challenges, Global Responses and Current Research"**, Freie Universität Berlin, Steigenberger Cairo Hotel in Cairo, Egypt, 24-25th September, 2019.
41. **"How mechanical properties of polymers change with temperature"** webinar Elsevier, Materials Today, sponsored by Netzch, Tuesday 9th April, 2019.
42. **"How to write a lay summary"**, Elsevier Researcher Academy webinar, Tuesday 19th March, 2019.
43. **"Discover Nanoparticle Tracking Analysis"**, Malvern Panalytical webinar, Tuesday 19th March, 2019.
44. **"Research ethics in Faculty of Pharmacy, Cairo University"**, organized by Central Administration of Research and Health Development & ENREC, Faculty of Pharmacy, Cairo University, Sunday 24 February 2019.
45. **"Maximizing the Performance of your Active Pharmaceutical Ingredients"**, organized by Croda and Orkilla Company, at Heliopolis Towers Hotel, Cairo, 27 November, 2018.
46. **"SciVal: A tool for evidence-based research planning"**, Elsevier Research Academy, Faculty of Pharmacy, Cairo University, Thursday 8 November 2018.
47. **"Driving Value in the Evolution Toward Continuous Monoclonal Antibody Processing"**, Merck webinar, Thursday 7 June, 2018.
48. **"Making academia–industry collaborations work"**, Elsevier Researcher Academy webinar, Wednesday 20 June, 2018.
49. **"How to Drive Innovation in Formulated Products through Predictive Analytics"**, BioVia webinar, Wednesday 2 May, 2018.
50. **"Introduction to Flexible Filtration - A Strategic Approach to Implementing Single-Use Technology Using Lean Manufacturing Principles"**, Merck webinar, Tuesday 1 May, 2018.
51. **"The early access masterclass: translate early access into wider access"** Eyeforpharma webinar, Thursday, 25 January, 2018.
52. **Innovation Incubator X Cairo, DAAD COSIMENA Health Cluster**, at the premises of the DAAD Cairo office, Zamalek, Cairo, 18 November, 2017.
53. **"Eudragit® Advanced Seminar"**, organized by Evonik Health Care, at Fairmont Heliopolis Hotel, Cairo, 9 October, 2017.
54. **"Rheology of Soft Matter – Gels and Soft Glass Transition"**, Malvern webinar, Thursday 14 September, 2017.
55. **"Creating online and interactive quizzes"**, at Faculty of Pharmacy, Cairo University, Egypt, 22 February, 2017.
56. **"Solid phase extraction as a tool for sample preparation"**, organized by Center of Applied Research and Advanced Studies (CARAS) at Faculty of Pharmacy, Cairo University, 13 April, 2016.
57. **"Proper selection and evaluation of API raw materials: Case studies on new HCV drug"**, organized by Drug Manufacturing unit (DMU) at Faculty of Pharmacy, Cairo University, Egypt, 21 May, 2016.
58. **"The Chronicles of a Biosimilar Production Facility"**, Merck webinar, 25th January, 2016.
59. **"Modern Tablets and Capsules Formulation: Manufacturing and Problem Solving"**, Natoli, USA, organized by Future University in Egypt, 27-28 January, 2016.
60. **"Towards a successful pharmaceutical development of generic drug products: From action letter to NODCAR approval"**, organized by Drug Manufacturing unit (DMU) at Faculty of Pharmacy, Cairo University, Egypt, 26 December, 2015.

61. **“Regulatory and technical aspects for successful comparative in vitro dissolution study”**, organized by Center of Applied Research and Advanced Studies (CARAS) at Faculty of Pharmacy, Cairo University, 13 October, 2015.
62. **“Generic pharmaceutical products in the Egyptian market: Registration requirements”**, organized by Drug Manufacturing unit (DMU) at Faculty of Pharmacy, Cairo University, Egypt, 27 December, 2014.
63. **“Stability and bioequivalence guidelines for the pharmaceutical products in the Egyptian market”**, organized by Drug manufacturing unit (DMU), Faculty of Pharmacy, Cairo University, 7 December, 2013.
64. Journal of Advanced Research (JAR) 5th Workshop: **Your future in science: “Writing and publishing a scientific paper”**, *New Central Library, Cairo University*, 23 April, 2013.
65. **“How to develop a project proposal”**, Alexandria Research Center for Adaptation to Climate Change (ARCA) in cooperation with International Development Research Centre – Canada (IDRC), *at Cairo University Conference Hall 1*, 9 – 11 April, 2013.
66. **“Quality by design”**, Drug manufacturing unit, Faculty of Pharmacy, Cairo University, 9 September, 2012.
67. **“Formulating with Roquette’s excipients” and “Lactose in tableting technology”**, Orkila Company, Fairmont Hotel, Heliopolis, Cairo, Egypt, 23 March, 2010.
68. **“Update on Formulary System Management”** by Dianne B. Williams, Pharm.D., BCPS (Drug Information and Formulary Coordinator, MCG Health Clinical Associate Professor, University of Georgia College of Pharmacy) and **“Update New Antimicrobials”** by J. Russell May, Pharm.D., FASHP (Clinical Professor- Department of Clinical Administrative Pharmacy, University of Georgia College of Pharmacy), **attendee**, at Misr International University (MIU), 10th November, 2008.

Conferences

Keynote speaker

- 7th International Scientific Conference of Faculty of Pharmacy Cairo University on "Translational Research in Pharmacy" From Bench to Market", Cairo, *“Nanotechnology: A common platform for multidiscipline research”*, 16 - 17 April, 2016.

Poster

- Yasmien Ezzeldeen, Shady Swidan, Aliaa ElMeshad, Aya Sebak. *“Role of Green Synthesized Honokiol-loaded Transfersomes on a Key Player of The Tumor Microenvironment”*, 12th World Meeting on Pharmaceutics, Biopharmaceutics and Pharmaceutical Technology, Graz, Austria, 2021.
- Aliaa N. ElMeshad, Mohamed A. Ahmed, Medhat Al-Ghobashy, Ahmed S. Attia, Muhammad Al-Shorbagy, Wael Mamdouh. *“Formulation and Evaluation of Surface Functionalized Nanoparticles Enclosing Myelin Basic Protein for Treatment of Multiple Sclerosis”*, 5th International Conference on Nanotechnology, Nanoscience & Advanced Materials, Kuala Lumpur, Malaysia, 2-3 February, 2018.
- Tarek K. Motawi, Shohda A. El-Maraghy, Aliaa Nabil ElMeshad, Omnia M. Nady *Cromolyn chitosan nanoparticles as a novel protective approach for colorectal cancer*, 8th International Scientific Conference of Faculty of Pharmacy Cairo University on "Pharmacy in Egypt: Ensuring Access to Health", Cairo, 22 April, 2017.

- Mohamed El-Nabarawi, Aliaa ElMeshad, Mohamed Moutasim "*A Bioequivalence Study of Orodispersible Tablets of Lornoxicam*", American Association of Pharmaceutical Scientists (AAPS) Annual Meeting and Exposition, USA, 13 – 17 November, 2016.
- Mohamed El-Nabarawi, Aliaa ElMeshad, Helal Abdou "*In-vivo study of chlorzoxazone orodispersible tablets*", 7th International Scientific Conference of Faculty of Pharmacy Cairo University on "Translational Research in Pharmacy" From Bench to Market", Cairo, 16 - 17 April, 2016.
- Mohamed El-Nabarawi, Aliaa ElMeshad, Khaled Abd ElHamid "*Topical Itraconazole Emulgels: In-vitro and In-vivo Evaluation*", 7th International Scientific Conference of Faculty of Pharmacy Cairo University on "Translational Research in Pharmacy" From Bench to Market", Cairo, 16 - 17 April, 2016.
- Mohamed Kassem, Aliaa ElMeshad, Ahmed Roshdy Fares "*Preparation and Optimization of Lacidipine Nanosuspension by Antisolvent Sonoprecipitation Technique Box-Behnken Design*", OMICS 8th International and Exhibition on Pharmaceutics & Novel Drug Delivery Systems, 7-9 March, 2016, Spain.
- Mohamed El-Nabarawi, Aliaa ElMeshad, Doaa Sayed "*Evaluation of micronutrients supplementation for prevention of stunting (preclinical study)*", American Association of Pharmaceutical Scientists (AAPS) Annual Meeting and Exposition, USA, 25-29 October, 2015.
- Mohamed El-Nabarawi, Aliaa ElMeshad, Mohamed Moutassim "*Orodispersible tablets of lornoxicam for management of arthritis*", American Association of Pharmaceutical Scientists (AAPS) Annual Meeting and Exposition, USA, 25-29 October, 2015.
- Mohamed El-Nabarawi, Aliaa ElMeshad, Helal Abdou "*A pharmaceutical study of chlorzoxazone orodispersible tablets*", 6th International Scientific Conference of Faculty of Pharmacy Cairo University on "2020 Vision of Pharmacy in Egypt", Cairo, 25 – 26th April, 2015.
- Mohamed El-Nabarawi, Aliaa ElMeshad, Mohamed Moutassim "*Sumatriptan transdermal films: Bioequivalence study*", 5th International Scientific Conference of Faculty of Pharmacy Cairo University on "Pharmacy at the Cutting-edge: Facing Future Challenges", Cairo, 23 - 24 April, 2014.
- Manal Ismail, Aliaa ElMeshad, Nivine Salem "*Potential therapeutic effect of nano-based formulation of rivastigmine on rat model of Alzheimer's disease*", 4th International Scientific Conference of Faculty of Pharmacy Cairo University on "Pharmacy Education and Community Expectations", Cairo, 24 - 25 April, 2013.
- Mohamed El-Nabarawi, Aliaa ElMeshad, Mohamed Moutassim "Natural penetration enhancers for sumatriptan transdermal delivery systems", 4th International Scientific Conference of Faculty of Pharmacy Cairo University on "Pharmacy Education and Community Expectations", Cairo, 24 - 25 April, 2013.
- Mohamed Kassem, Aliaa ElMeshad, Ahmed Roshdy Fares "*Development of chitosan sponges for buccal administration of buspirone*", Dubai International Pharmaceuticals and Technologies Conference and Exhibition (DUPHAT), 10-12 March, 2013.
- Mohamed El-Nabarawi, Aliaa ElMeshad, Mohamed Moutassim "*Sumatriptan transdermal delivery systems for the treatment of migraine*", American Association of Pharmaceutical Scientists (AAPS) annual meeting & exposition 2012, Chicago, USA, 14-18 October, 2012.
- Mohamed Kassem, Aliaa ElMeshad, Ahmed Roshdy Fares "*Formulation and evaluation of buspirone cup and core buccal tablets*", Future University in Egypt (FUE) International

Conference on Pharmaceutical Technologies (ICPT), Future University in Egypt, Cairo, 6 – 9 February, 2012.

- Mohamed Kassem, Aliaa EIMeshad, Ahmed Roshdy Fares “*Formulation and evaluation of buspirone buccal tablets*”, 32nd Conference of the Egyptian Pharmaceutical Society (EPS), 20-22 December, 2011.
- Aliaa EIMeshad “*Liquisolid tablets providing supersaturated solution of glibenclamide and enhancing drug dissolution*”, 31st Conference of the Egyptian Pharmaceutical Society (EPS), Dar El-Defaa Al-Gawy, Cairo, 23-25 December, 2008.

Organization

- 6th International Congress on Technology Engineering & Science, Kuala Lumpur, Malaysia, 19-20 July, 2018.
- 4th International Conference of Scientific Research and its Applications, Cairo Conference Center on 16-18 December, 2008.

Attendance

- European congress clinical trials, online, Monday 7th – Wednesday 9th November 2022.
- “**Dassault Systèmes 3D EXPERIENCE® online FORUM**”, 3DS Paris Campus, Paris, France, Thursday 20th October 2022.
- **WuXi Global Healthcare Forum “Collaborations That Transform”: Mental health R & D, A Global Priority**, Singapore, Virtual forum, Tuesday 10th October, 2022.
- “**Africa Health ExCon Exhibition and Conferences**”, Al Manara International Conference Center – Egypt International Exhibitions Center (EIEC) Cairo, Egypt, 5th - 7th of June 2022. Also attended Merck symposium, Hall 14, Monday 6th June, 2022.
- **WuXi Global Healthcare Forum** with partnership: *UK BioIndustry Association, BioCentury, Biocom, Clarivate, California Life Sciences, Endpoints News, GEN, MBC BioLabs, Medicon Valley Alliance, Pharma Intelligence | Informa, and Swiss Biotech Association* - Advancing Breakthroughs for Patients, Singapore, Virtual forum, 26-28 April, 2022.
- “**Quality Measurement in Health Professions Education Revisiting the Metrics**”, Gulf Medical University E-learning center, Ajman, Friday 26th – Saturday 27th February, 2022.
- The 10th annual **WuXi Global Forum 2022** - Advancing Breakthroughs for Patients, Singapore, Virtual forum, Monday 10th January, 2022.
- **2020 Bio/Pharma Virtual Conference**, Pharmaceutical Technology, International BioPharm, and Interphex, Wednesday, 11 November, 2020.
- 9th International Scientific Conference of Faculty of Pharmacy Cairo University on “*Globally Recognized Egyptian Pharmaceutical Ingredients - A National Priority*”, Cairo, 25 - 26 April, 2018.
- 3rd International Conference of Photodynamic and Nanomedicine for Health sciences, Luxor & Cairo, Egypt, organized by German University in Cairo (GUC), 2 - 7 January, 2015.
- International Conference of GUC, “**Pharmaceutical and Biotechnological Therapies**”, German University in Cairo; Egypt, 28 September - 1 October, 2012.
- 3rd International Scientific Conference of Faculty of Pharmacy Cairo University on “*Good Pharmacy Practice*”, Cairo, 25 - 26 April, 2012.
- 2nd International Scientific Conference of Faculty of Pharmacy Cairo University on “*Quality Assurance in Pharmacy Education*”, Cairo, 26 April, 2010.
