WORK EXPERIENCE

Medicinal Chemistry Teaching Assistant

Egyptian Chinese University [01/09/2022 – Current]

City: Cairo | Country: Egypt

Assisted faculty members with research projects related to various aspects of chemistry theory. Led laboratory sessions, supervised experiments, and provided feedback on performance. Evaluated student work using rubrics that assessed knowledge acquisition within the discipline of chemistry. Assessed student comprehension levels by designing and administering quizzes and tests related to the course material. Collaborated with faculty members to develop new curricula for advanced courses in chemistry. Developed and implemented innovative lesson plans to facilitate student learning in chemistry. Encouraged critical thinking skills through problem-solving activities related to Chemistry topics. Assisted faculty members in grading assignments, exams, and lab reports.

Community Pharmacist

El Ezaby Pharmacy [01/12/2021 – 30/08/2022]

City: Cairo | Country: Egypt

Provided patient counseling and medication education to customers, including advice on drug interactions, side effects, and dosage. Processed insurance claims accurately while ensuring timely payment from third-party payers. Performed accurate calculations for prescription compounding and adjustments of dosages. Assessed patient profiles for allergies, drug interactions, contraindications, and appropriateness of therapy.

Medical Caravane Volunteer

Egyptian Ministry of Health [01/07/2019 – 01/10/2019]

City: Cairo | Country: Egypt

Taking blood pressures, pulses, weight, height, and pulse oximetry. Conduct specialized point-of-care tests, including hemoglobin A1C, finger-stick blood sugar, strep tests, pregnancy tests, and urinalysis. Assist in getting patients seen, help patients complete paper work, schedule appointments, discharge patients, make appointments for tests, order drugs and supplies, take inventory, clean rooms, and restock supplies.

Medicinal Chemistry Research Intern

Ain Shams University [01/07/2018 – 01/10/2018]

City: Cairo | Country: Egypt

Collected data to meet specific project objectives using various informational sources. Compiled and presented research data for review by senior researchers. Created PowerPoint presentations summarizing findings from completed projects. Used quantitative research methods to define, iterate upon, and advance key areas of the research agenda.

Natural Products Research Intern

Ain Shams University [01/07/2017 – 01/10/2017]

City: Cairo | Country: Egypt

Used quantitative research methods to define, iterate upon, and advance key areas of the research agenda.

Compiled and presented research data for review by senior researchers.

collected data to meet specific project objectives using various informational sources.

My research project, "Hypericum Henri as an Antidepressant," went through all the research phases, and I presented the project's findings in a poster at the ICPASU 2nd international conference of the faculty of pharmacy, Ain Shams University.

EDUCATION AND TRAINING

Bachelor of Pharmacy

Faculty of Pharmacy Ain Shams University [01/09/2016 – 20/08/2020]

City: Cairo | Country: Egypt | Website: <https://pharma.asu.edu.eg> | Final grade: Excellent with honors

LANGUAGE SKILLS

Mother tongue(s): Arabic

Other language(s):

English

LISTENING C1 READING C1 WRITING B2

SPOKEN PRODUCTION C1 SPOKEN INTERACTION C1

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

DIGITAL SKILLS

Microsoft Office / Microsoft Word / Microsoft Powerpoint / Microsoft Excel / Skype / ChemDraw, ISIS/Draw, ChemOffice, Adobe InDesign CS5, Ubuntu, Gauss View, Chimera / Chimera molecular visualization / Computational Drug Design
