**Contact Data:**      **Phone;** (+2 010) 05856580, (+2 012)72891361  
**E-mail:** hany.hunter@pharma.cu.edu.eg  
**Address:** Pharmaceutical Analytical Chemistry Department, Faculty of  
Pharmacy, Cairo University, Kasr El-Aini St., 11562, Cairo, Egypt.

**Current Position:** Assistant Professor, Pharmaceutical Analytical Chemistry Department,  
Faculty of Pharmacy, Cairo University.

### Education Degrees:

- Bachelor's degree in Pharmaceutical Science with general grade Excellent (Hons.).  
(May 1998).
- Master's degree in Analytical Chemistry, Faculty of Pharmacy, Cairo University,  
Egypt (2007).

#### **“On the Analysis of Some Pesticides”**

- Ph.D. degree in Analytical Chemistry, Faculty of Pharmacy, Cairo University, Egypt  
(2012).

#### **“Analysis of Some Compounds used as Pesticides either in Bulk Powders, Mixtures, Formulations, or in Environmental Samples”**

### Academic positions:

- Demonstrator of analytical chemistry Faculty of Pharmacy, Cairo university  
(1998-2007).
- Assistant lecturer of analytical chemistry Faculty of Pharmacy, Cairo University  
(2007-2012).
- Lecturer of analytical chemistry Faculty of Pharmacy, Cairo University (2012-2020).
- Assistant professor of analytical chemistry Faculty of Pharmacy, Cairo University  
(2020-now)

**Scientific Researches:**

- Published researches abstracted from Master thesis (3 papers)
- Published researches abstracted from Ph. D. thesis (4 papers)
- Published researches after lecturer degree (7 papers)
- Published researches after assistant professor degree (29 papers)

**Supervision of theses:**

- Master theses (9 theses, 3 passed)
- Ph. D. theses (6 theses, 2 passed)
- One master thesis in Faculty of Science, Ain Shams University (passed 2019)

**Theses arbitration:**

- Four master theses (Faculty of Pharmacy, Cairo University)
- Two Ph. D. theses (Faculty of Pharmacy, Cairo University)
- One master thesis in (Faculty of Pharmacy, Ain Shams University)
