### WORKSHOPS, RESEARCH & INTERNATIONAL EXPOSURES

- Attending DUPHAT 2023 in Dubai as an undergraduate student researcher, my poster won among the best innovative posters
- I was honored to be from the only two high achievers pharmacy students which passed the selection process done by the university professors in order to represent MIU internationally in an International inter-professional case competition, were I worked on solving a clinical case in a group of different medical students from different fields like medicine, nursing, dentistry..etc and different nationalities as well
- I've attended a scientific conference which was held in Dubai (DUPHAT 2022) and won the FIRST PLACE OUTSTANDING POSTER, among hundreds of pharmacy students worldwide, which was for my research paper which is now published in the journal of my university MIU ( <https://ifcr.journals.ekb.eg/>)
- I have also attended over 10 workshops in Dubai all related to my field

## Certified workshops in Dubai
