EDUCATION AND ACADEMIC POSITIONS

- 25/6/2023: Present** **Associate professor of clinical pharmacy-** Faculty of Pharmacy- El -Menofia University
- 26/6/2022: 24/6/2023 **Lecturer of clinical pharmacy-** Faculty of Pharmacy- El -Menofia University
- 2016- 2022 Delegated **as a full time lecturer of clinical pharmacy-** Faculty of Pharmacy- El-Menofia University
- Lecturer of clinical pharmacy-** Faculty of Pharmacy- Modern University for Technology & Information (MTI) University
- Lecturer of clinical pharmacy -** Faculty of Pharmacy- Horus University
- Fellow of Clinical Pharmacy-NLI - El -Menofia University**
- 2016 **Doctor of Philosophy in Pharmacy and Pharmaceutical Sciences,** Clinical Pharmacy major, Faculty of Pharmacy, Tanta University, Tanta, Egypt
Thesis title: A comparative clinical study of variants of pegylated interferon alpha in treatment of chronic HCV patients.A comperison of three different pegylated interferons in their clinical efficacy, immunogenicity and cost effectiveness.
- 2006 **Master of Science in Pharmacy and Pharmaceutical Sciences,** Clinical Pharmacy major, Faculty of Pharmacy, Tanta University, Tanta, Egypt
Thesis title: Celecoxib Interactions with Fluconazole and Trimethoprim /sulphamethoxazole
- 1999-2001 **Teaching Assistant** at MUST university
- 1997-1999 Hospital pharmacist at (NLI) National Liver Institute-Menofia University, Shebeen El-kom-Egypt.
- 1992 – 1997 **Bachelor of Science in Pharmacy and Pharmaceutical Sciences,** Faculty of Pharmacy, Tanta University, Tanta, Egypt

PROFESSIONAL EXPERIENCE

2024- Present	Deputy Director of the Internship Pharmacists Training Unit - Faculty of Pharmacy - Menoufia University
2024- Present	Deputy Director of Measurement and Evaluation Unit Unit - Faculty of Pharmacy - Menoufia University
2022- Present	Director of the Electronic Education Unit - Faculty of Pharmacy - Menoufia University
2022- Present	Member of the Quality Unit, and Coordinator of the Strategic Planning - Faculty of Pharmacy - Menoufia University
2022- Present	Member of the Quality Unit, and coordinator of the Strategic Planning Unite - Faculty of Pharmacy - Menoufia University
2021	Establishing Drug information Unite with the most updated data base (Unlimited Lexicomb subscription) – Faculty of Pharmacy- Modern University for Technology & Information (MTI) University
2018- 2021	General supervision of clinical pharmacy department Faculty of pharmacy- Modern University for Technology & Information (MTI) University
2017- 2021	Member of the Quality Unit, Head and Coordinator of the Leadership & Governance - Faculty of pharmacy- Modern University for Technology & Information (MTI) University
2017	Lecturer of clinical Pharmacy - Faculty of pharmacy -Horus University
2016-2008	Senior Pharmacist in Research Pharmacy & Tender department in National Liver Institute (NLI). Main duties: work with other clinical staff in experimental clinical trials in HCV treatment
2007	Teaching Assistant of clinical Pharmacy- Faculty of pharmacy-October University for modern Science & Arts (MSA), Giza
2003-2006	Unit Head, Inpatient Pharmacy Unit , National liver institute Shibin Elkom- Menoufia University. Main duties: <i>Establishing and practicing different aspects of clinical pharmacy services in the hospital including:</i> 1- Providing health care professionals with, requested drug information, drug alerts, hospital drug formulary, periodical drug related newsletters, medication policies, procedures, guidelines, and medication discharge planning.

Production Pharmacist at Sigma Manufacturer, Quesna, Shebeen ELKom-Menofia- Egypt

Main Responsibilities include: Controlling different processes relating to the finished products, and surveillance on the packaging, printing and production lines.

1999-2001

Teaching Assistant in Pharmaceutics Department- Faculty of Pharmacy -Modern University of science and Technology (MUST University).

1997- 1999

Hospital pharmacist at (NLI) National Liver Institute-Menofia University, shebeen El-kom-Egypt.

TEACHING EXPERIENCE

June 2023-present Associate professor of clinical pharmacy- Faculty of Pharmacy- El - Menofia University.

Lecturing for undergraduates:

General & organ-system pathophysiology, Therapeutics of cardiovascular, cerebrovascular, pediatrics, geriatric, gynecological & obstetric, respiratory, oncology, renal, urological, dermatological, venereology, andrology, hematology, and gastrointestinal disorders, Therapeutics in organ transplant and infectious diseases, Clinical pharmacokinetics, Clinical pharmacy skills, duties, and pharmacy practice in health care institutions, Clinical pharmacy practice in community pharmacies & management of minor illness, Drug information center activities & practice, Hospital pharmacy practice, Pharmacoeconomics, Evidence based practice, Drug development processes.

Sep 2021-present **lecturer- Faculty of Pharmacy- EL-Menofia University**

Lecturing for *undergraduates*:

Therapeutics of cardiovascular, cerebrovascular, pediatrics, geriatric, gynecology & obstetric, respiratory, oncology, renal, urological,

muscuskeletal, neuropsychiatric, and gastrointestinal disorders
Therapeutics in organ transplant

Clinical pharmacokinetics, Clinical pharmacy skills, duties, & practice in management of minor illness, Clinical pharmacy skills, duties, and practice in health care institutions, Hospital pharmacy practice, Clinical research design and practice, Drug development processes.

Summer 2019-2020, Spring 2021-2022,

Lecturer (part time), Department of Clinical pharmacy, Faculty of pharmacy-Horus University

Lecturing for undergraduates:

Clinical pharmacy practice in community pharmacies & management of minor illness (gynecology, respiratory, dermatological, muscuskeletal, eye, ear, and gastrointestinal disorders)

Therapeutics of cardiovascular, cerebrovascular, respiratory, oncology, endocrinology, renal, urological, muscuskeletal, neuropsychiatric, rheumatology, and gastrointestinal disorders, Medication reconciliation

Fall & Spring 2019-2020

Lecturer (part time), Department of Clinical pharmacy, Faculty of pharmacy- Menofia University

Lecturing for undergraduates:

Pharmacokinetics, renal, cardiovascular and hematological disorders

Sep 2017- Sep 2021

lecturer of clinical pharmacy- Faculty of Pharmacy-Modern University for Technology & Information (MTI) University

Lecturing for undergraduates:

General & organ-system pathophysiology, Therapeutics of cardiovascular, cerebrovascular, pediatrics, geriatric, gynecological & obstetric, respiratory, oncology, renal, urological, dermatological, venereology, andrology, hematology, and gastrointestinal disorders, Therapeutics in organ transplant and infectious diseases, Clinical pharmacokinetics, Clinical pharmacy skills, duties, and pharmacy practice in health care institutions, Clinical pharmacy practice in community pharmacies & management of minor illness, Drug information center activities & practice, Hospital pharmacy practice,

Pharmacoeconomics, Evidence based practice, Drug development processes.

Oct 2016- Sep 2017 lecturer of clinical pharmacy- Faculty of Pharmacy- Horus University

Lecturing for *undergraduates*:

Pharmacy orientation and pharmaceuticals I

1999-2001, 2007 Teaching Assistant in pharmaceuticals and Clinical Pharmacy Department in MUST&MSA

Main Duties Responsible for teaching the undergraduate students the practical part of different subjects in the department, making practical exams and tutorials.

TRAININGS AND DEVELOPMENT

1. Attending a workshop entitled “Reshaping the Future” held on the sidelines of the 14th International Breast-Gynecological & Immunooncology International Cancer Conference (BGICC) January 20-21, 2022
2. Attending a workshop entitled "The Role of Clinical Pharmacy in Cancer Nutrition", held on the sidelines of the Upper Egypt Congress of Clinical Nutrition and Metabolism" on May 25, 2022
3. Attending a workshop entitled “Biosimilar and Drug Discovery” held on the sidelines of the 14th International Gynecological & Immunooncology International Cancer Conference (BGICC 2022) - January 20-21, 2022
4. Attending a workshop entitled "Clinical Pharmacy, Nutrition" held on the sidelines of the Second Onco-Bronchology International Conference under the title Precision Perfection Personalization "ONCO-BRONCHO" January 20-21, 2022

5. Passing the electronic training course "Financial aspects of university business" from 29/8/2021 to 30/8/2021 - Menoufia University
6. Passing the electronic training course "Decision Making and Problem Solving" from 5/9/2021 to 6/9/2021 - Menoufia University
7. Passing the electronic training course "Ethics of Scientific Research" from 7/9/2021 to 9/8/2021 - Menoufia University
8. Passing the electronic training course "Creative Thinking for Leaders" from 9/26/2021 to 9/27/2021 - Menoufia University
9. Passing the electronic training course "Lifelong Learning" from 10/24/2021 to 10/25/2021 - Menoufia University
10. Passing the electronic training course "Thinking Skills" from 11/14/2021 to 11/15/2021 - Menoufia University
11. Passing the electronic training course "Decision Making and Problem Solving" from 5/9/2021 to 6/9/2021 - Menoufia University
12. Attending a workshop entitled Course Description at the Faculty of Pharmacy at the Modern University in August 2021
13. Attending the Pharmacovigilance training program at the Modern University, August 2021

Scientific conferences and symposia

1. Attending the 14th International Gynecological & Immunooncology International Cancer Conference (BGICC 2022) - January 21-22, 2022
2. Attending the 21st Annual Tropical Medicine and Gastroenterology Conference, February 27-28, 2022
3. Attending the Second Onco-Bronchology International Conference under the title Precision Perfection Personalization "ONCO-BRONCHO" January 20-21, 2022
4. Attending the International Joint Conference of AL-Azhar Faculties of Medicine in Cairo "Under the title of" Medical Practice in the Era of Covid in the period 12-13 December 2021

5. Attending the webinar “Management of Diabetes Mellitus according to the latest guidelines” in 02/12/2021.

6. Attending the webinar “ Management of chronic hypertension according to the latest Guidelines” in 30/11/2021.

7. Attending the webinar “Case study of H Pylori according to latest guidelines” in 13/01/2022

COMPUTER SKILLS

- Perfect knowledge of Word, Excel, PowerPoint and Internet research
- Excellent user of SPSS, Microsoft access, team & endnote.
- International computer driving license (ICDL)

LANGUAGE SKILLS

- Perfect command of written and spoken English (only media of education & teaching)
- Perfect command of written and spoken Arabic
